### **EVWD RECEIVES AWARD FOR FISCAL YEAR 2018-19 ADOPTED BUDGET AND FISCAL YEAR 2017-18 FINANCIAL REPORT**

*The Government Finance Officers Association Presents Awards for Excellence  
in Financial Reporting*

**HIGHLAND, Calif., (May 16, 2019)** – Striving to cultivate a well-informed community, East Valley Water District (District) provides financial information in a comprehensive, reader-friendly format. The District is proud to announce it has been recognized by the Government Finance Officers Association with the Distinguished Budget Presentation Award for Fiscal Year 2018-19 Adopted Budget, and with a Certificate of Achievement for Excellence in Financial Reporting for Fiscal Year 2017-18 Comprehensive Annual Financial Report.

To achieve both awards, the District fulfilled specific program requirements. Additionally, financial documents are assessed by experienced outside reviewers and evaluated on the information presented, fiscal transparency, readability, understandability, and overall presentation.

“Beyond presenting financial information to the public, we embrace this as an opportunity to engage the community with District operations,” said Chris Carrillo, East Valley Water District Chairman. “It is an honor to be recognized with the highest form of recognition in governmental financial reporting.”

The District has accomplished these awards consecutively with the Distinguished Budget Presentation Award attained for the past six years and the Certificate of Achievement for Excellence in Financial Reporting for the past seven years.

“In our commitment to transparency, the District continues to identify ways to enhance how information is provided to the public,” said John Mura, East Valley Water District General Manager/CEO. “These notable awards are a testament to our efforts of honest communication with the community.”
